

Having visibility to the palm oil mills is essential for Colgate-Palmolive to support transformation work linked to its supply, and assessing the progress of its suppliers in achieving compliance with Colgate's palm oil policy. Colgate in partnership with its suppliers has achieved traceability back to the mill for the palm oil and palm kernel oil that the company purchases.

Colgate-Palmolive's largest suppliers for palm oil and palm kernel oil are:

- Wilmar
- Sime-Darby/Morakot
- Cargill
- ADM
